Re: Cornerstone Security letter of recommendation

We hired Cornerstone Security to install our security system in our new Entrée Vous kitchen that we opened in April of 2007. Cornerstone did a very complete and competent job listening to our needs and providing us with the right service at the right price.

Cornerstone Security not only took care of our security needs, but also helped out our subcontractors do their work correctly at no charge to us when asked for their advice. Cornerstone went above and beyond their call of duty.

We highly recommend Cornerstone Security for any work you may need. In fact, we have recommended them to other Entrée Vous franchisees.

Please feel free to call me at any time with any questions.

Sincerely,

Suzanne Muller
