Mr. Larry C. Giuliani, President  
Cornerstone Security  
17011 Lincoln Avenue, Unit 402  
Parker, CO 80134

Dear Mr. Giuliani:

We would like to express our sincere thanks and gratitude to you and your staff for providing us with professional and courteous service with regard to the installation of our security system and fire alarm monitoring.

We asked your company to install the Brivo security system a little over a year ago and have found it to be extremely user friendly and it meets all of our security needs. Although, some of our users required extra hand holding throughout this process, your staff was always available and extremely patient in resolving any issues that arose. You worked with us to ensure our needs were met as cost efficiently as possible. Thank you so much for recommending such an efficient system and for providing honest and accurate installation and monitoring costs.

Since our building is quite old and the front door needed some major repair work before the installation could take place, you and your staff worked side by side with our door repair crew to ensure it could handle the new locks and security system. You certainly went above and beyond our expectations and provided excellent service at no additional cost to us. Your company not only provides state of the art equipment, you also provide exceptional customer service which is a rarity these days.

We appreciate your outstanding service with regards to our fire alarm monitoring and respect your solid working relationship with South Metro Fire District.

You and your staff have conducted yourselves with the utmost professionalism, honesty and integrity and we would not hesitate to recommend your company to anyone. Over this last year, you have gone above and beyond our expectations and have made this project effortless and worry free on our part. Thank you!

Very truly yours,

TOWN & COUNTRY FOODS, INC.

Lynne C. Harris  
Human Resource Manager
